

# PASSION FOR CHURRASCO

## 热情在于希拉斯科

巴西风格的烧烤被称为“希拉斯科”精良的巴西烤肉始于把肉串放在明火上缓慢旋转烹制以确保其均匀成熟。然后把这肉串由厨师直接送到你的面前享用精要部位的烤肉。这个传统在数世纪前开始于巴西南部一直延续发展到现在遍布全球各个国家。抛开所有烦恼，感受巴西文化和美食的魅力，在满是呐喊声中的足球场，听那火热桑巴的舞曲，扭动着曼妙的身姿在狂欢节中散发。最好的期待就是与你们一起享受美食。

Brazilian style barbecue is called 'churrasco'. A great churrasco starts with the meat slowly rotating on long skewers over an open flame to ensure it is uniformly cooked. These same long skewers are then served directly to your plate, allowing you to choose the piece of meat in a rodizio style (all-you-can-eat). It is a tradition that started centuries ago in the south of Brazil, one that continues strong today all over the country. Leave your worries outside. You are entering a foreign land, a land where football is a national passion and samba dictates the rhythm of both carnival and our hearts. Where having a wonderful meal with friends is what we expect from a great day.
